

REMARKS

The first line of the specification is amended herewith to correct related Application data. Specifically, Applicant's claim to the benefit of U.S. Patent Provisional Application Nos. 60/553,986, 60/604,704, and 60/607,359, was timely made in the Declaration filed September 15, 2006, and in accordance with M.P.E.P. § 201.11 (V.), was recognized by the Office in the Official Filing Receipt mailed April 11, 2008. Accordingly, pursuant to M.P.E.P. § 201.11 (V.), no petition or fee is required to correct this benefit claim.

Applicant notes that, in the corrected Official Filing Receipt mailed February 15, 2012, this domestic priority information was erroneously omitted. Applicant is therefore filing a Request for Corrected Official Filing Receipt concurrently with this Amendment. Entry and consideration of this Amendment are respectfully requested.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
